

MY RAINFOREST TREK

THE HOURGLASS FROG

The hourglass frog is hiding from spiders.
It's yellow and brown.

HERCULES BEETLE

I saw a hercules beetle that was black and his size was big. I almost stepped on it

WHITE FACED MONKEY

The white faced monkey eats palm fruit!

It has a white face.

BANANA PLANT AND FERNS

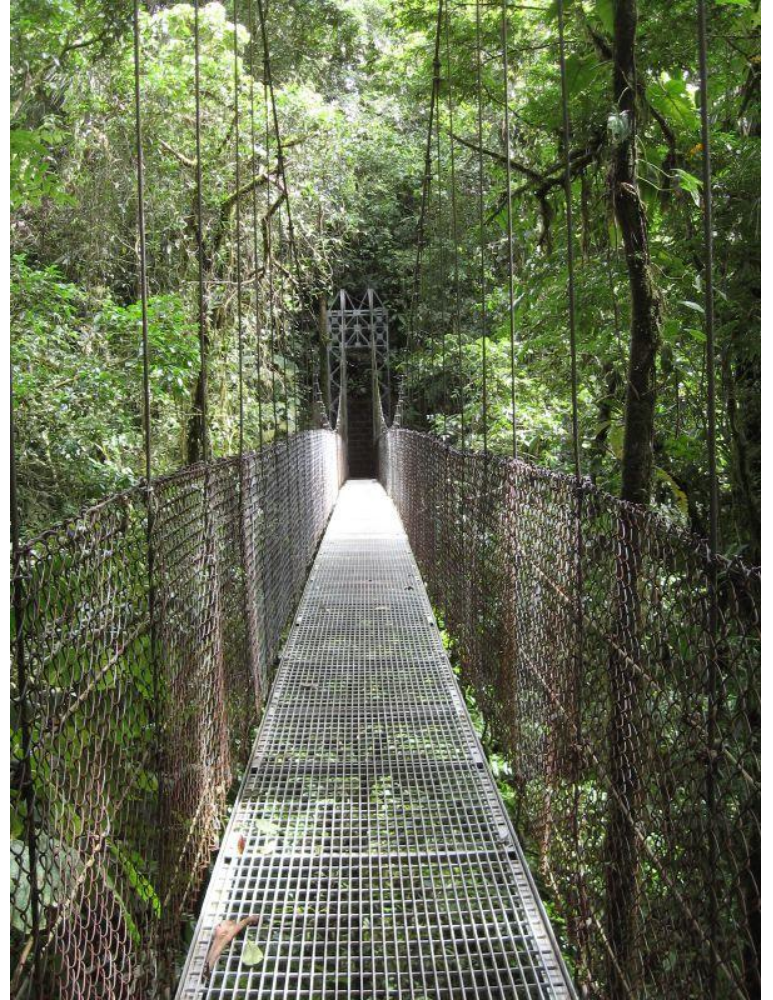

The banana plant is long and wide. There are many different ferns.

HANGING BRIDGE

I saw a howler monkey.

I felt scared.

COAIT CROSSING

The coati crossed the path slowly.

HUMMINGBIRD NEST

I looked through the binoculars and I saw a hummingbird.

SPIDER MONKEY WITH HER BABY

Spider monkey hang from their tails. It has a baby and he eats fruit, insects, seeds, eggs and nuts.

LONGWING BUTTERFLY

The longwing butterfly is resting on the passion flower.
