

MY RAINFOREST TREK

SPIDER MONKEY WITH HER BABY.

A spider monkey hangs by his tail. A baby monkey hangs from its mother. They live in groups called troops.

COATI

A coati just crossed the road. It is brown.

LONGWING BUTTERFLY

A longwing butterfly lays egg on a passion flower.

HUMMINGBIRD NEST

I looked through my binoculars and saw a humming bird.

HANGING BRIDGE

I was walking on the bridge and I saw a monkey.
